Advantages

- fast crease recovery
- water-repellent
- easy to clean
- dirt-repellent
- trimming cold (no fraying)

Applications

- frontlit
- frame tensioning systems

* not for outdoor use

All details are nominal values and are subject to change within usual tolerances (± 5 %). The information provided in this document is based on current knowledge and experience. They do not exempt a manufacturer/processor from carrying out their own tests and trials as their in-house handling and manufacturing processes can have a significant range of influences on outcomes. Application, utilisation and processing of products is taking place outside of our control and are therefore the sole responsibility of the manufacturer/processor. date: 01/2020
